SUBJECT:

Request for Reimbursement

SUBJECT: Request for Reimbursement

1. The attached memorandum requesting reimbursement for financial losses incurred to me through a change of assignment concerns two major issues: 1) reimbursement for losses sustained in the disposal of my new car; and 2) reimbursement for a \$350.00 payment involved as a consequence to my apartment lease termination. I have received your approval for reimbursement regarding my car which is gratefully acknowledged.

2. This memorandum concerns the circumstances of my lease termination and my request for reimbursement. Simply stated, my assignment to [redacted] was the assignment which precipitated the lease termination. My present assignment to [redacted] would not have caused a lease termination. The synopsis of the situation is stated in paragraph 3 of this memorandum and is my rationale for seeking reimbursement at this time.

I would not have had to break my apartment lease and thereby not have had to pay \$350.00 for breaking my lease. The
